RE: FREEDOM OF INFORMATION ACT REQUEST

VIA U.S. CERTIFIED MAIL

FOIA Officer
U.S. General Services Administration
FOIA Requester Service Center (H1C)
1800 F. Street, NW, Room 7308
Washington, DC 20405-0001

Dear FOIA Officer:

This is a request under the Freedom of Information Act.

The records I request can be described as follows:

Any and all records, correspondence, emails, and memos, in any format, that mention, reference, or otherwise relate to any costs associated with the furnishing, remodeling, or other expenses incurred on behalf of the Secretary of State's personal office or the 7th floor of the Harry S. Truman building at 2201 C Street, NW, Washington, D.C. 20520.

The scope of this FOIA request is inclusive of any common variations of the names or terms provided above. The timeframe of this request is from January 1, 2009, through February 1, 2013.

In order to help you determine my status to assess fees, you should know that I am requesting on behalf of the Republican National Committee (RNC) and this information is not primarily in the commercial interest of the RNC.

I am willing to pay fees for this request up to a maximum of \$25. If you estimate that the fees will exceed this limit, please inform me first. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is primarily in the public interest and will contribute significantly to the public's understanding of the operations of the Government Services Administration.¹

The Department Of Justice recommends that each federal agency employ six factors to determine whether a fee waiver is appropriate in a FOIA request.² The first such factor is "whether the subject of the requested records concerns 'the operations or activities of the government.'"³ The records

¹ See 5 U.S.C. § 552(1)(4)(A)(iii).

² See FOIA Update, Vol. VIII, No. 1 ("New Fee Waiver Policy Guidance").

³ *Id.*

requested here go directly to the correspondence and actions of agency personnel as they operated in their official capacities.

The second factor is “whether the disclosure is ‘likely to contribute’ to an understanding of government operations or activities.”⁴ Here a primary focus is on the present availability of the information and whether it has previously been released to the public.⁵ To the best of the requestor’s knowledge, the vast majority of the information contained in the requested records has never been publicly disclosed nor appeared in news reports. The generally undisclosed nature of the records, however, make them very likely to contribute to the understanding of the government operations that it describes.

The third factor is “whether the disclosure of the requested information will contribute to ‘public understanding.’”⁶ This turns on “whether the requester will disseminate the disclosed records to a reasonably broad audience of persons interested in the subject.”⁷ The RNC is in a position to make the information widely available. It has an extensive history of publications on its website, GOP.com, and its members and affiliates regularly interact with and appear on national media outlets. Thus, the RNC not only has the desire to furnish these records to a broad audience, but has a substantial ability to do so.⁸

Fourth, an agency is directed to consider “whether disclosure is likely to contribute ‘significantly’ to public understanding of government operations or activities.”⁹ In determining the significance of the contribution, an important element is media attention and public interest in the material. Widespread media attention of an issue greatly increases the likelihood that additional information would significantly contribute to the public’s understanding of the government operation or activity in question.¹⁰ As previously noted, the RNC is well positioned to bring media attention to an issue and routinely engages with issues of public import that garner substantial press coverage.

The fee waiver guidance next looks at the question of “whether the requester has a commercial interest that would be furthered by the requested disclosure.”¹¹ The RNC is not a corporation or business that exists to pursue profits or actively participate in the commercial sphere. There is no readily identifiable commercial interest of the RNC to which this information pertains.

Should your agency determine, however, that some commercial interest exists, it would then have to turn to the final factor: “whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is ‘primarily in the commercial interest of the requester.’”¹² Given the RNC’s significant ability to contribute to the public discourse on matters of national significance, any potential commercial interest would be dwarfed in comparison to the public interest in the disclosure of such information.

Where exemptions to the Freedom of Information Act are discretionary, I ask you not withhold such records, even if they might qualify for withholding under the law. If you withhold any records as exempt, please redact the exempted portions and release the remainder of the records. In any case

FOIA Officer
FOIA Requester Service Center (H1C)
General Services Administration
Room 7308, 1800 F Street, NW
Washington, DC 20405

Dear FOIA Officer:

This is a request under the Freedom of Information Act.

The records I request can be described as follows:

Any and all correspondence, emails, and memos, sent by or on the behalf of the Designated Agency Ethics Official, Kris Durmer, or the Assistant Designated Agency Ethics Official, Eugenia Ellison, that include any of the following terms:

- Hillary Clinton;
- Clinton;
- Secretary of State;
- Homebrew;
- Personal Email;
- Server;
- Federal Records Act;
- HDR22;
- and hdr22@clintonemail.com.

The timeframe of this request is from March 2, 2015 to March 9, 2015. The scope of this FOIA request is inclusive of any common variations of the names or terms provided above. Due to the limited scope and specificity of my request, I ask that your agency categorize my request as a simple track request and process within 30 days.

In order to help you determine my status to assess fees, you should know that I am requesting on behalf of the Republican National Committee (RNC) and this information is not primarily in the commercial interest of the RNC.

I am willing to pay fees for this request up to a maximum of \$25. If you estimate that the fees will exceed this limit, please inform me first. However, I would also like to request a waiver of all fees in

that the disclosure of the requested information is primarily in the public interest and will contribute significantly to the public's understanding of the operations of your agency.⁴³⁵

If responsive records are not produced within the statutorily mandated time frame, the FOIA, as amended, dictates that the RNC is entitled to a complete fee waiver for all search fees.⁴⁴⁷

Where exemptions to the Freedom of Information Act are discretionary, I ask you not withhold such records, even if they might qualify for withholding under the law. If you withhold any records as exempt, please redact the exempted portions and release the remainder of the records. In any case where you withhold any records, please provide sufficient identifying information with respect to each allegedly exempt record or portion thereof to allow us to assess the propriety of the claimed exemption.⁴⁴⁸ Please release all reasonably segregable material.

In the interest of assisting your agency to meet the stringent document production requirements of the FOIA, the RNC is willing to accept any responsive records in an electronic format (e.g. email, pdf). Further, if necessary, the RNC is willing to consider a “rolling production” of records.

Thank you for your consideration of this request. Please do not hesitate to contact me should you have any questions or comments.

Per your agreement on March 13, 2015 with (b) (6), GSA is making interim releases while continuing to work on this request that involves a voluminous amount of material and that requires searches in multiple GSA locations. By providing rolling releases, our goal is to facilitate access to the requested information.

Enclosed please find the documents responsive to your request. The documents include forty-seven letters sent and received by GSA from the Governors & Senators as cited in the above table. In processing your request, GSA withheld some signatures, cell phone numbers and other personal information, including communications regarding personal constituent services, in accordance with the sixth statutory exemption to the FOIA 5 U.S.C. §552(b)(6), as release of this information would be a clearly unwarranted invasion of personal privacy.

This letter is in response to your Freedom of Information Act (FOIA) request number GSA-2015-000235, submitted on December 15, 2014, in which you requested the incoming-and-outgoing correspondence between GSA and seventeen Governors & Senators provided on your incoming FOIA Request.

As a follow up to your conversation with (b) (6) GSA is making interim releases while continuing to work on this request that involves a voluminous amount of material and that requires searches in multiple GSA locations. To assure that the cost of processing your FOIA is not borne by the general tax paying public, the law requires GSA to charge for processing. The cost for this partial release is calculated to be \$310. Please refer to the enclosed FOIA Fee Determination sheet for the breakdown of costs.

You may pay with your credit card by filling out the attached GSA Form 3602B and following the directions for submission on the form or faxing it to (816) 823-1048. Please do not fax or email this form to the FOIA Requester Service Center. Once your payment is received, your FOIA request will be processed and all documentations will be sent to you. If we do not receive your check within 15 working days from the date of this Fee Assurance Letter (April 3, 2015), we will assume you are no longer interested in these records and your request will be cancelled.

If you have any questions, or wish to narrow the scope of your request, we will be happy to provide you with a revised estimate of the anticipated costs. Please do not hesitate to contact Ms. Hyacinth Perrault or myself at the phone number or e-mail address below.

This is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA-2016-000214), submitted on December 2, 2015 in which you requested:

"[a]ny and all records, correspondence, emails, and memos, in any format, that mention, reference, or otherwise relate to any costs associated with the furnishing, remodeling, or other expenses incurred on behalf of the Secretary of State's personal office or the 7th floor of the Harry S.
